PLAYER REGISTRATION
INFORMATION FOR PARENTS/CARERS

Parents of players who are new to WKU will need to register on Spond using the link below. Once your registration has been processed, you will receive a prompt to set up payment.

Parents of players who have previously played for WKU should be able to see the payment options for the new season when they log on to Spond.

There are two registration options.

- Please select the mandatory single-team registration if your child is playing for one West Kirby United team on either Saturday or Sunday.
- You will need to select the optional dual-team registration if your child is playing for two West Kirby United teams on Saturday and Sunday.

If you are registering a player who has not played for WKU before, we need their FA FAN number, DoB, a head & shoulders photo and proof of ID to verify their photo and date of birth. Please provide this info to your child's coach.

If you need to create or check your FAN number, use this link:

It is the parent/carers responsibility to apply to the FA for a dispensation if their child is playing out-of-age group. Proof of dispensation should then be forwarded to the coach and relevant committee registration officer. Please note - this is a lengthy process and must be repeated every year.
You can apply for a dispensation here:

Player registration is a very time consuming job. Please help us out by sending this information to the right person asap. Players without payment plans will not be registered and players who are not registered will not be allowed to play once the season starts.
Thank you for your support.
